SAFETY INFORMATION FOR OVERNIGHT STAYS IN THE IGLU-DORFS

High alpine hazards

Iglu-Dorf GmbH herewith expressly draws the attention of its overnight guests to the environment of the Iglu-Dorf in remote, high alpine nature. Even a short walk can entail high alpine risks. High alpine hazards refer to concrete phenomena such as strong winds, cold, altitude, visibility conditions, snow and ice, sudden changes in the weather, unknown terrain, amongst others.

As the weather cannot be influenced, this can affect the activities during the overnight stay. Activities in the open air (for example visiting the whirlpool) are adapted to the weather situation, i.e. not carried out in the worst case.

Respect nature!

Coordinate your activities to your abilities and physical condition and the high alpine environment. Stay overnight only if you are in good health.

Emergency management

A safety concept exists if accidents occur. Rescue transportation may take some time given the exposed location and the weather, and may even be impossible in exceptional circumstances. No rescue transport will be carried out for minor injuries. The client is responsible for any costs for rescues.

In the Iglu-Dorf, there is emergency chemists with disinfectant, ointment, compresses, materials for dressings, tweezers. We are not allowed to stock or issue any other materials or medicines. The guest is responsible for such items.

Concluding remarks

Iglu-Dorf GmbH makes every endeavour to ensure that incidents can be avoided. To this end, we also rely on the cooperation of our overnight guests. Please follow the instructions and advice of the igloo guides.

The need to leave the Iglu-Dorf on account of avalanche detonations is on average necessary 2-3 nights per season, based on experience from the past three years.

Restrictions to the offer do not justify any price reduction.

We finally wish to point out that after meanwhile more than 130,000 overnight guests, incidents can be counted on one hand. We shall do our utmost to make sure this remains the same. We thank you for your cooperation and look forward to enjoying a pleasant and relaxed atmosphere with you in the Iglu-Dorf. Thank you for your understanding.

Warm regards,

Iglu-Dorf GmbH
