IGLOO-VILLAGE DAVOS KLOSTERS

Please read this document carefully in order to be properly prepared for the Igloo-Village experience.

Davos Klosters: a region full of opportunities with a varied range of activities, set in the middle of the beautiful Landwasser Valley but still easy to reach. Our Igloo-Village at Parsenn/Weissfluhjoch – at an altitude of 2,550 m – is a pure natural idyll nestling above the traditional Graubünden holiday paradise of Davos, a pulsating leisure destination with over 10,000 inhabitants and more than 20,000 guest beds, itself 1,560 m above sea level.

During your journey

The igloo-village Davos Klosters is located at the Parsenn / Weissfluhjoch skiresort. Please consider that the cable car journey takes about 30 minutes and the hike to the igloo-village takes another 20 minutes.

For activities with a fixed starting time, any claim to forfeited services and refund shall lapse if arrival is more than 30 minutes late. This also applies to bookings with adventure vouchers. If you are late, please let us know immediately on +41 41 612 27 28. Please have the mobile phone you specified on reservation with you, so that we can contact you if needed (especially during your outward journey).

Ascent & mountain railway tickets

The railway station at Davos-Dorf is easy and simple to get to by train. From Davos-Dorf railway station, the valley station of Parsennbahn is about five minutes' walk.

If travelling by car, follow the signs to the railway station once you have entered the village of Davos-Dorf. Pass by the railway station and take the first left (Mühlestrasse). Car park is then signposted. Then a short walk of less than five minutes (underpass) to the Parsenn valley station. (Car park costs CHF 5 per day).

Take the cable car up to station "Höhenweg", change on left side and continue up to station "Weissfluhjoch" (journey takes about 30 minutes). Leave the station at first exit left and follow the signs. The hike to the igloo village takes another 15-20 minutes. Skiers reach the igloo on skis.

Guests using the railway without skiing equipment may purchase a regular mountain/valley trip. Of course, you can also travel to the Igloo-Village with a valid ski pass.

The mountain railway tickets and any parking charges incurred are not included in any package.
